

MAP Monday

MAP Monday will give your students the opportunity to focus on individual skills that will kick-start their careers: successful networking, creating a marketable you, and balancing personal and professional success. MAP Monday will include live interviews with business leaders who will offer individual feedback on résumés and interviewing techniques.

- Are your students ready to **MEASURE** their career readiness?
- Are they ready to **ACHIEVE** the career goals they have set?
- Then it is time to give them the opportunity to **PROVE** they have what it takes to be world-class workers and leaders.

MAP Monday will guide your students on an experience that will allow them to Measure, Achieve, and Prove they are ready for the workplace.

MAP Monday will take place Monday, April 10. Times will be 8:00 am to 11:00 am and 1:00 pm to 4:00 pm to allow students time to also participate in Volunteer Service opportunities.

Students may register for MAP Monday using this [Google form](#). The deadline for registration is **Wednesday, March 29, 2017**. Please complete a form for each participant.
