

# COMMUNITY SERVICE (VIRTUAL)

## PURPOSE

To evaluate local chapter activities that benefit the community and to recognize excellence and professionalism in the area of community service. This event also enables the community to become aware of the outstanding work being performed by career and technical education students.

First, download and review the General Regulations at: <http://updates.skillsusa.org>.

## ELIGIBILITY (TEAM OF 3)

Open to active SkillsUSA members. Only the first-place high-school and/or college/postsecondary winning team(s) may be entered in national competition. The entire chapter is encouraged to participate in the community service project. A team of three members will represent the chapter in a live presentation. All team members must be from the same school.

## CLOTHING REQUIREMENT

These regulations refer to clothing items that are pictured and described at: [www.skillsusastore.org](http://www.skillsusastore.org). If you have questions about clothing or other logo items, call 1-888-501-2183.

## EQUIPMENT AND MATERIALS

1. Supplied by the technical committee:
  - a. Timer
  - b. Time cards
2. Supplied by the contestant:
  - a. Laptop computer, LCD projector (optional) or other visual equipment as necessary for the presentation. *Backup must be ready and available if technical problems occur.*
  - b. Clicker (for your specific equipment)
  - c. Notecards, if desired
  - d. LCD projector and screen
  - e. 110-volt outlet
  - f. Computer with high speed internet capability and camera to use applications such as Zoom and Teams, etc. The minimum recommended internet bandwidth speeds for joining Zoom meetings, accessing on-demand curriculum and other online operations is 2.0 Mbps up and down. You can test your current internet speeds by following this link: <https://www.speedtest.net/>. Allow the page to load and click on GO.
  - g. A secondary camera(s) may be required to provide judges with the ability to view contestants from different angles.

Additional camera requirements will be located on the SkillsUSA website at <http://updates.skillsusa.org>.

- h. A contest Proctor will be required to be on site to assist judges. A local industry expert is preferred to serve as the Proctor and shall not be an individual that has been involved with the training of the contestant(s). The Proctor will serve as the onsite “hands and eyes” for the judges. Proctor will follow instructions from the judges for safety and operations related to the competition. Proctor may be asked by judges to perform several tasks such as operating a portable camera to show specific components or steps, measure parts, or any task that will provide judges with information needed to assist in accurate scoring of the contestant’s work or presentation. However, the Proctor shall not serve as a judge nor have any influence in contestant scores.
  - i. The contestant’s instructor or advisor shall be on site to observe all competition activities to ensure a safe and healthy competition experience for all participants. That instructor or advisor will not be allowed to interact or interfere with the competitor unless a safety issue arises that requires interaction. Any other support or interaction between the contestant and the instructor/advisor will result in disqualification.
3. All competitors must create a one-page résumé and submit an electronic copy at least seven (7) days in advance of the competition. Failure to do so will result in a 10-point penalty. Instructions for submission of the electronic résumé copy will be provided on the SkillsUSA website at <http://updates.skillsusa.org>.

**Note:** Your contest may also require a hard copy of your résumé as part of the actual contest. Check the Contest Guidelines and/or the updates page on the SkillsUSA website at <http://updates.skillsusa.org>.

## SCOPE OF THE CONTEST

The contest will consist of two parts: a electronic presentation (PowerPoint, Prezi, Google Slides, etc.) outlining the chapter community service project and a live presentation by the chapter team.

### Knowledge Performance

There is no written knowledge test required in this contest.

### Skill Performance

The contest will consist of two parts: an electronic presentation outlining the chapter community service project and a live presentation by the chapter team. The chapter will organize the year’s community service activities and present its best community service project to a panel of judges. Only one project may be presented. Presentation should represent a community service project that was conceived, planned and completed during the current school year.

**Note:** Although involvement of the entire school is encouraged, the project must clearly be organized and conducted by the active SkillsUSA chapter.

### Contest Guidelines

1. Electronic Presentation (PowerPoint, Prezi, Google Slides, etc.)  
Notebook
  - a. The electronic presentation must be compiled that describes the chapter community service project. The presentation must be submitted at least seven (7) days in advance of the competition.
  - c. The presentation must not contain more than 30 slides.
  - d. The presentation should be organized in the following format:
    1. **Title Page**  
The title page must include the name of the project, chapter name, school address and a list of the names of the presenting team members.
    2. **Introduction**  
Provide a brief description of the project, not to exceed one page.

This statement should provide a brief and concise description or overview of your community service project.

3. **Table of Contents**

The table of contents should indicate page numbers. All surfaces should be numbered, and the information should be organized according to appropriate sections as indicated below.

4. **Section I — Objectives of the Project**

Objectives should be specific, measurable, action-oriented, relevant to local needs and time-bound. Objectives should be revisited at the conclusion of the project to show level of success and to document impact.

5. **Section II — Community Impact**

Describe and document the full impact that the project had on individuals, organizations, businesses, industry or the community in general as appropriate to the project. Include statistical evidence such as surveys, pre/post test results or data/documentation to prove that your project made a significant difference and can be sustained in the future.

6. **Section III — Impact on the School**

Describe and document the full impact that participation in the project had on the school community. Include statistical evidence such as surveys, pre-/post-test results or data/documentation to show how your project made a difference in some aspect of the school environment or in the student population.

7. **Section IV — Letters of Recognition**

A maximum of five letters can be included. Include letters from business or industry representatives that recognize your community service contribution and demonstrate the community's awareness of SkillsUSA.

8. **Section V — Publicity**

Newspaper articles, photos or other items that show publicity received during the project. Do not include items you generated to promote participation. SkillsUSA must be mentioned in the publicity article to receive credit. Original copies of newspaper articles must be submitted. If you use information (or receive any publicity during the project) via the internet, social media or electronic articles, you must reference the source, including the dates.

Dates of the article must be within the article, or a letter of verification from the editor must be submitted. Photocopies of articles are not acceptable. You may also document your efforts to secure publicity by including letters from newspapers or TV/radio stations verifying that articles related to your project have been submitted for publication. This section should also include photos that document events as they were conducted. Photos should be affixed and captioned to explain content.

2. Live Team Presentation

- a. A team of three will represent the chapter in a live professional presentation. The purpose of the presentation is to provide the judges with an overview of the chapter's community service project and the positive results achieved. All team members must take an active part in the presentation.

**Note:** Presentations should provide a clear sense about the project planning timetable and process — how the project was initiated, organized, implemented, evaluated and celebrated.

- b. The presentation shall be seven to 10 minutes in length.
- c. Time penalty: Five points will be deducted for each 30 seconds or fraction thereof under seven minutes or over 10 minutes. Time will be started when the presentation begins. The

- timer will signal the team at seven minutes and at nine minutes.
- d. Teams are encouraged to be creative in their presentations. The use of computer-generated presentations or other visuals is strongly encouraged.
  - e. All charts and graphs must be student produced. No commercially produced materials will be allowed. Each team may use at least one of the following visual formats in their presentation:
    1. Flip charts
    2. Overhead transparencies
    3. 35mm slide presentation
    4. PowerPoint or other computer presentation
