

RELATED TECHNICAL MATH CONTEST

OVERVIEW

The Related Technical Math contest evaluates the contestant's understanding and ability to solve mathematical problems commonly found in the skilled trades, professional and technical occupations.

THE CONTEST

- This contest consists of a written knowledge exam. The exam will be administered online through a secure testing platform.
- Contestants must create a one-page résumé and submit via electronic upload. Failure to do so will result in a 10-point penalty.

See SkillsUSA Technical Standards for contest guidelines and standards and competencies measured.

CONTEST SUBMISSION PROCEDURES

- Contest items must be submitted electronically through the contest submission form.
- Contestants will receive online testing platform instructions and login credentials to participate in the online written exam.

DEADLINE

All contest items must be received by Tuesday, February 15, 2022, through the contest submission form.
